3. Notes to the annual account

The 2014 annual account has been compiled by volunteer based on the available information. The board of the foundation is responsible for the accuracy and completeness of that information and the annual accounts which are based on it.

The organisation is currently supervised by the directors, Mrs. C.J. Burgemeester, Mr. J.J.M. Koedam and Mr. S.A. Wietses.

Activities

The foundation Plenty Food International directs its activities towards stimulating a fair food distribution and sovereignty, by vegetarian development cooperation. The emphasis is put on stimulating and supporting organic farming and permaculture, through information about and organisation of campaigns, establishing and supporting projects which advance food safety in the world, as well as guiding and supporting the worldwide activities of the organisations in the countries participating.

Accounting principles

The general basis for the valuation of assets and liabilities, and determining the result is the acquisition price. Unless otherwise stated assets and liabilities are given for nominal values.

Income is accounted for in the year in which it is received.

Expenses are accounted for in the year in which they are foreseeable.
